Speed Management Reimagined: Quick, Simple, Effective

### GLOVENT SOLUTIONS

## SAFER ESTATES, FASTER

#### A Penalty solution for Safer Estates

## 

Advanced speed enforcement systems are essential for promoting **safety and order** in residential communities. By continuously monitoring vehicle speeds and capturing violations,

these systems effectively deter reckless driving, significantly lowering the risk of accidents especially in areas frequented by children, pets and pedestrians.

And now, your community residents can easily view and pay their penalties directly through the Glovent Mobile App, ensuring timeous notification and convenience. Penalties collected from speeding violations are a successful **behavior deterrent** and **can be reinvested** into valuable community projects, creating a **safer** and more harmonious living space for everyone.

## **GLOVENT SPEED MANAGEMENT**

#### HOW IT WORKS

We integrate with leading Estate speed penalty service providers, to automatically:

Retrieve penalties from the provider Verify that penalties are legal and enforceable into our platform Present penalty in the Glovent app

WE AUTOMATE THE PROCESS AND DO THE HEAVY LIFTING!

#### THE VALUE BEHIND OUR SOLUTION

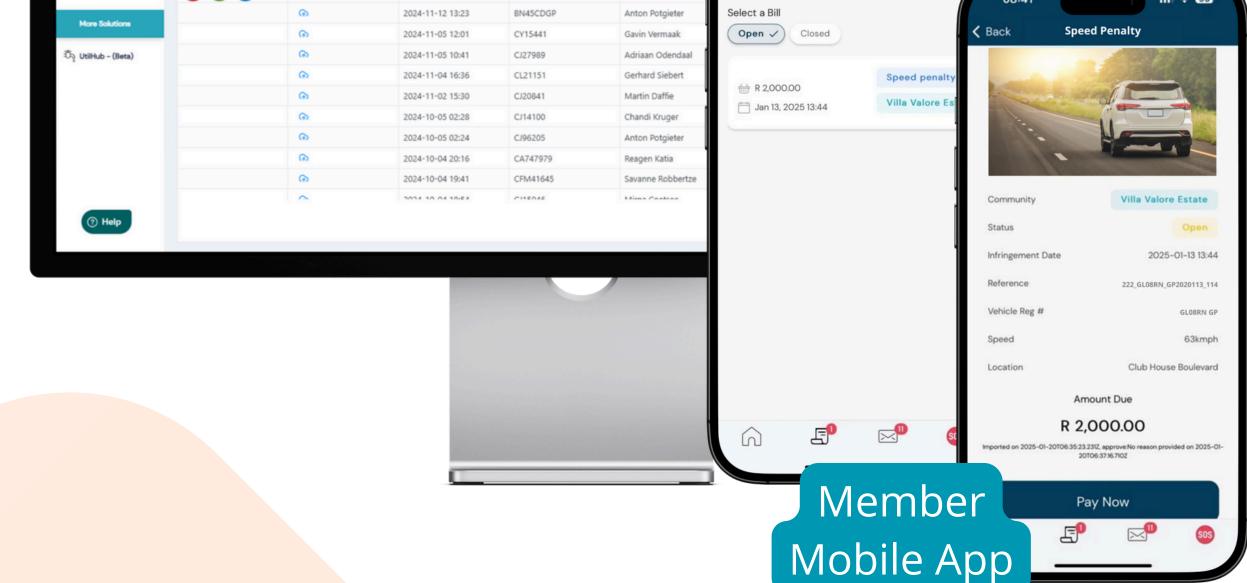

- All processing is handled by Glovent, ensuring no additional overhead for our clients
- Penalties are delivered to offenders significantly FASTER than traditional manual processing onto monthly levy statements
- This results in **EARLIER ALERTING** of offenders
- C Leading to QUICKER BEHAVIOR MODIFICATION
- And ultimately making your estate **SAFER**, **SOONER** which is the primary objective

#### **ADDITIONAL BENEFITS**

- Quicker collection of penalty revenues
- You get to set up and control the system according to your own unique requirements such as where penalties are sent, early settlement discounts allowed, etc.
